KYC VERIFICATION SERVICES AGREEMENT (FICTIONAL SAMPLE)
Between Northwind Bank Limited ("Bank") and DataVerify Solutions Private Limited ("Vendor")

1. Parties and effective date. This Agreement is made on 1 April 2026 between the Bank and the Vendor, each a "Party". It takes effect on signature by both Parties.

2. Definitions. "Customer Data" means all personal data of the Bank's customers received or generated by the Vendor under this Agreement. "Services" means the services described in clause 3.

3. Scope of services. The Vendor shall perform customer identity and address verification for new accounts. Where a customer cannot readily produce documents, the Vendor may accept the customer's self-declaration of address in place of documentary proof to avoid onboarding delays.

4. Aadhaar data. To allow quick re-verification, the Vendor shall store the complete Aadhaar number of each customer, together with a copy of the Aadhaar card, in its verification database.

5. Data retention and deletion. The Vendor shall retain Customer Data and KYC records for twelve (12) months after termination of this Agreement and shall then permanently delete them.

6. Use and sharing of data. The Vendor may share Customer Data with its affiliates and marketing partners to improve and promote its services, without further notice to customers.

7. Audit and inspection. The Vendor shall give the Bank and the Reserve Bank of India access to its premises, systems and records for audit and inspection at any time on reasonable notice.

8. Security incidents. The Vendor shall notify the Bank of any data breach affecting Customer Data within seventy-two (72) hours of becoming aware of it.

9. Data location. All Customer Data, including backups, shall be stored on servers located in India.

10. Sub-contracting. The Vendor shall not engage any sub-contractor to process Customer Data without the prior written approval of the Bank.

11. Governing law. This Agreement is governed by the laws of India, and the courts at Mumbai have exclusive jurisdiction.
